EXECUTIVE OFFICE OF THE PRESIDENT
BUREAU OF THE BUDGET
Washington 25, D. C.

AUG 17 1954

My dear Mr. Dulles:

As an initial step in carrying out the assignment made by the President to the Bureau of the Budget on August 5, relating to the coordination of economic, psychological, and other nonmilitary defense measures, I have developed the attached list of questions.

I would appreciate greatly your cooperation in providing me with brief answers as promptly as possible. You may prefer to do so orally in a conference. I will arrange for the closest possible coordination between this study and the one relating to foreign economic policy, assigned by the President in his letter of July 12 to his Advisory Committee on Government Organization and to me.

Sincerely yours,

/s/ Rowland Hughes
